THE HON'BLE SRI JUSTICE BILAL NAZKI

WRIT PETITION No.27326 of 1995

ORDER:

The petitioners are aggrieved in this Writ Petition by the action of

the respondents in discontinuing them from service and seek regularization and continuation of service in terms of G.O.Ms.No.212, dated 22.04.1994.

The petitioners contended that they were in continuous service from 1986 till the year 1995. When they were engaged, some certificates have issued to them, which were annexed to the writ petition. These certificates are not even Photostat copies or attested copies and do not bear the signatures of anybody. Even if these certificates are taken to be correct, they only state that the petitioners were working as NMRs up to April, 1993. The G.O. prescribed regularization of those who were working as NMRs on 25.11.1993. In this view of the matter also, the petitioners are not entitled for regularization. In any case, the respondents in their counter-affidavit have stated that the petitioners were never engaged as NMRs, but they were engaged as daily wagers, and within a month, they were never engaged for more than ten days, as such, I do not find any merits in this writ petition.

The Writ Petition is accordingly dismissed. No costs.
